Hochman, Natalie

Wexler, 2017-08-07 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution TWR provides a clear method of instruction that you can use no matter what subject or grade level you teach The model also known as The Hochman Method has demonstrated over and over that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback Insurmountable as the challenges faced by many students may seem The Writing Revolution can make a dramatic difference And the method does more than improve writing skills It also helps Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing There's no separate writing block and no separate writing curriculum Instead teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well It breaks the writing process down into manageable chunks and then has students practice the chunks they need repeatedly while also learning content Dear Mr. Blueberry Simon James, 1996-06 While on summer vacation five year old Emily

thinks she sees a whale in her garden pond and writes to her teacher Mr Blueberry to ask for advice on how to care for it *I Wanna Iguana* Karen Kaufman Orloff, 2004-09-09 Hilarious notes between a son and his mom show how kid logic can be very persuasive Alex just has to convince his mom to let him have an iguana so he puts his arguments in writing He promises that she won't have to feed it or clean its cage or even see it if she doesn't want to Of course Mom imagines life with a six foot long iguana eating them out of house and home Alex's reassures her It takes fifteen years for an iguana to get that big I'll be married by then and probably living in my own house His mom's reply How are you going to get a girl to marry you when you own a giant reptile Kis will be in hysterics as the negotiations go back and forth through notes and the lively imaginative illustrations showing their polar opposite dreams of life with an iguana take the humor to even higher heights
