Facts vs. Opinions vs. Robots Michael Rex,2020-02-11 A hilarious timely conversation about the differences between facts and opinions by the creator of the 1 New York Times bestseller *Goodnight Goon* Do you know the difference between a fact and an opinion It can be a hard thing to understand Some things are facts like the number of robots in this book Other things are opinions like which robot would make the best friend or which robot dances best And sometimes to tell the difference between a fact and an opinion you need to wait to get more information that's because facts can be proven true or false and opinions are things you feel and believe but that you can't prove Mike Rex introduces young readers to the very important distinction between facts and opinions and he reminds us that it is nice to listen to one another's opinions and to stand up for the facts

Changing the World Lucy Calkins,Kelly Boland Hohne,2013

The Writing Revolution Judith C. Hochman,Natalie Wexler,2017-08-07 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution TWR provides a clear method of instruction that you can use no matter what subject or grade level you teach The model also known as The Hochman Method has demonstrated over and over that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback Insurmountable as the challenges faced by many students may seem The Writing Revolution can make a dramatic difference And the method does more than improve writing skills It also helps Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing There's no separate writing block and no separate writing curriculum Instead teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well It breaks the writing process down into manageable chunks and then has students practice the chunks they need repeatedly while also learning content
